Thank you!!!

for helping to make 2009 a wonderful year for Terrawatu. With your support we have launched two new computer centers in Arusha; sponsored the education of ten children; and deployed a culturally-sensitive team of medical professionals to treat a remote Maasai community and educate them on preventing malaria now and into the future.

Our accomplishments are made possible through the support of friends like you. You help us touch lives in such positive ways that never would be possible without your generosity.

For those of you in the United States, we invite you to make a tax deductible donation through our [Website](http://www.terrawatu.org) before midnight on December 31st to continue to support Terrawatu's projects into the New Year!

Wishing you peace, joy and many blessings in 2010!
