

## Happy Holidays!

Northern Winter/Southern Summer 2010

**The Terrawatu Team in Tanzania has been abundantly blessed this year. And so many thanks go to you. Here are a few highlights from recent days which illuminate some of our amazing stories...**

Terrawatu now has a presence on Facebook! Our page makes it easier to stay in close contact with all of our special friends around the world. Join us at [facebook.com/terrawatu](https://www.facebook.com/terrawatu).

The [People-to-People Safaris](#) Website has launched. Applications for student internship positions and bookings for our unique safaris have been streaming in. If you are planning to come to Tanzania in 2011 to experience this beautiful land and its people, please don't hesitate to contact us to begin planning your journey.

Terrawatu's work is once again recognized by TED. On December 8th, Founding Co-Director Dr. Tanya Pergola spoke with Kelo Kubu, Director of TEDxSoweto, via the Africa Skype Station at [TEDWomen](#) in Washington DC. Dr. Tanya answered questions about Terrawatu's pioneering work in Africa on nurturing indigenous practices to help heal communities. Her words are posted on the [TED blog](#).

With the help of dear old friends and some wonderful new ones, fundraising efforts are in full-swing for:

- + Malaria eradication and mobile health education programme in Maasailand using integrated medicine techniques;
- + Construction of a library at Natema Primary School;
- + Construction of a dining hall/kitchen and library at Nadosoito Secondary School.

To keep up all the good work Terrawatu does in Tanzania, we need *your* continued support. There is an extremely simple way to contribute for 2011 that takes only 2 minutes; add Terrawatu to your annual charitable giving portfolio! Become one of our recurrent donors and give just \$25 a month (less than what you may spend on coffee!). Other giving levels are

available for both recurrent and one-time donations. All donations are tax-deductible.

*Here are the very simple instructions:*

Go to [terrawatu.org](http://terrawatu.org) and click on "Contribute" and then on the "Donate Now" button. After selecting your monthly contribution amount, click on the little circle for "I want to make a recurring donation every month." Then fill out your details and submit the e-form. It is that easy! Terrawatu's current recurring monthly donors love this way to support us. One woman reports:

*"It literally took me 2 minutes to set this up. The technology Terrawatu uses is the best-known in the industry for safe and secure donations. Every month Terrawatu automatically gets my contribution to keep activities going and the minimal monthly amount is so do-able for me and my husband we feel great to do it!"*

Looking for a fabulous Christmas gift for your loved ones? How about a [Maasai Leather Handbag](#). Each bag is individually made by hand by a woman in the village of Mkonoo, Tanzania. Help support a Maasai woman and her family and get a beautiful bag to carry your things. The bags are available for US\$249 and can be shipped to you from our distributor in California.

Wishing you and all your loved ones a festive season filled with joy and peace.

Tanya and the Terrawatu Team
